Chetana – Profound Education Movement.

The meaning of the word “Chetana” is consciousness. Consciousness is the essence of all creation. It is all-pervasive and infinite. It is the essence that unifies all beings and things. The cultural advancement of the human race itself can be attributed to the awareness of this consciousness. This consciousness requires a blend of emotional awareness and wisdom, which are the primary goals of education. Hence this name was suggested by Late Smt. Kusumtai Chaudhari while forming this profound education movement. Chetana, a service oriented educational trust was established on 09th September, 1969 by Respected Balasaheb Madhukarrao Chaudhari (former Education and Finance Minister, Government of Maharashtra and Ex-Speaker, Maharashtra Legislative Assembly).

Chetana, one of the dreams Balasaheb, has consistently progressed over the years and has today become an institution to reckon with. Now centrally located Chetana, was once a part of the suburb, located along the Mahim creek connected to Mithi River. Majority of the local population was totally dependent on this river and the creek for livelihood. As a Minister, whenever Balasaheb visited the nearby area, he was perturbed by the severe problem of illiteracy and poverty. His concern for the social and educational development of the region led him to decide over the establishment of an educational institution for the children of fishermen and other marginalized communities in the vicinity. He even travelled by boat to search for a suitable piece of land for Chetana. Finally, this search ended when the Government of Maharashtra allotted an open plot for Chetana. However, developing this plot was another task as it was a marshy land. It was filled by stone, sand and with the soil. He assembled a team of educationists and social workers to contribute to the development of Chetana. It was predetermined that Chetana will strive to provide educational facilities to students coming from underprivileged strata of society. Till today, Chetana is committed to its mission framed by its founder.

Considering the need of time, Chetana has expanded its scope of operations and set up two more institutions: Chetana’s Ramprasad Khandelwal Institute of Management & Research and Chetana’s Institute of Management and Research. Today these two institutions are rated among the best institutions in the field of Management Education. Hon’ble Shri Shirish Madhukarrao Chaudhari, Honorary Secretary of Chetana Education Trust; is now shaping this movement towards excellent institute with the support of his colleagues. The development of Chetana can be traced as given below.

Name of the Institutions	Year of Establishment
Chetana's, Hazarimal Somani College of Commerce & Economics, Smt. Kusumtai Chaudhari College of Arts.	1970
Chetana's R.K. Institute of Management & Research, Mumbai	1981

The name of renowned industrialist was respectfully adopted for the name of college. In the year 1992, permission was granted by the Maharashtra Govt. to start Faculty of Arts.
